

**2013 NIH CFC
Guidelines for Nominating an NIH CFC Keyworker
for CFCNCA's Keyworker of the Week**

The Keyworker of the Week will be featured on the cover photo of CFCNCA's Facebook and Twitter feeds on Friday of each week (and probably the weekend, too.) In addition, the Keyworker of the Week will be announced on [CFCNCA's web site](#).

To submit a nomination, please send Amy Matush at amatush@mail.nih.gov the name, email, phone number, and IC of the person you'd like to nominate. Include a 115 character description of why he or she deserves the award. (Note: a Tweet is 140 characters, but space is needed for retweets and identifiers.)

Amy will send ALL NIH nominations to CFCNCA each week. Nominees will be read by the Associate Directors at CFCNCA, who will choose the winner.
